The views expressed in the copyright work do not necessarily represent the views of the Commonwealth of Australia.

This work is copyright and licensed under the AShareNet Free for Education instant licence (AShareNet-FfE Licence). The onus rests with you to ensure compliance with the AShareNet-FfE licence and the following is merely a summary of the scope of the Licence.

When you obtain a copy of material that bears the AShareNet-FfE licence mark by legitimate means you obtain an automatic licence to use and copy the work in whole or in part, solely for educational purposes.

Individual learners may:

1. use the material personally for their education such as including it, with proper attribution, in work that is performed in the course of that education
2. make unlimited copies, in whole or in part, of the material.

Organisations may:

1. use the material within the organisation or for the services provided by the organisation
2. make or give copies to learners
3. charge for the education provided
4. charge learners for the material on a cost-recovery basis.

Conditions for the licence can be found at <http://www.aesharenet.com.au/FfE2/>. Queries regarding the standard AShareNet-FfE Licence conditions should be directed to the AShareNet website at <http://www.aesharenet.com.au/help/support/>.

In addition to the standard AShareNet-FfE Licence conditions, the following special conditions apply:

1. The copyright work must only be used in Australia and New Zealand.
2. You are not permitted to develop either an Edited Version or Enhancements of the Licensed Material.

Use of this work for purposes other than those indicated above, requires the prior written permission from the Commonwealth. Requests should be addressed to:

or email copyright@training.com.au

This work is the result of wide consultations with Australian industry participants. It is a collaborative view and does not necessarily represent the view of DEST or any specific body. For the sake of brevity it may omit factors which could be pertinent in particular cases. While care has been taken in the preparation of this Training Package, DEST and the original developer do not warrant that any licensing or registration requirements specified here are either complete or up-to-date for your State or Territory. DEST and the original developer do not accept any liability for any damage or loss (including indirect and consequential loss) incurred by any person as a result of relying on the information contained in this Training Package.

The Commonwealth, through the Department of Education, Science and Training, does not accept any liability to any person for the information or advice (or the use of such information or advice) which is provided in this material or incorporated into it by reference. The information is provided on the basis that all persons accessing this material undertake responsibility for assessing the relevance and accuracy of its content. No liability is accepted for any information or services which may appear in any other format. No responsibility is taken for any information or services which may appear on any linked websites.
